

ACRYLOC CEILING WHITE

PRODUCTS EXP201 Ceiling White

CODES 28420

PACKAGING Heavy Duty Plastic Pail

DESCRIPTION Acryloc Ceiling White is a low odour, low splatter, quick drying, ceiling white formulated using water based acrylic binder, high-hiding titanium dioxide pigment, quality mineral extenders and a powerful fungicide suitable for use in wet areas.

USES Acryloc Ceiling White is excellent for use over painted, primed or sealed ceilings. The flat non reflective finish is ideal for hiding imperfections and it's outstanding covering power provides one coat application over previously painted ceilings. The product can be tinted to pastel colours.
